

JUST REST: HOW REST CAN TRANSFORM OURSELVES AND OUR SOCIETY

The 2023 December Dialogues considered rest and relaxation not only in terms of personal benefit, but also how sleep and rest are viewed in society and how they can improve health and further social justice.

Date published: December 13, 2023

Resource Type: General Resource, Video, Neuroscience & Psychology, Social Sciences, Medicine & Health, Public Engagement, Ethics, Spirituality & Faith
