

**AAAS Dialogue on Science, Ethics, and Religion
2025 December Dialogues**

THE HEART OF SCIENCE
SCIENTISTS SHARE THEIR STORIES OF JOY AND CONNECTION

*Why do people participate in the scientific enterprise?
Where do scientists derive joy and meaning from their work?
How can these values be better shared with their greater community?*

Welcome and Introduction

Katy Hinman

Director, Dialogue on Science, Ethics, and Religion, AAAS

**The Heart of Science:
Scientists Share Their Stories of Joy and Connection**
